

Petroleum Services

Your Petroleum Solution

Orion's petroleum solution offers:

- Pay at the pump integrated systems
- High speed modems for multi lanes
- Outstanding customer service - live, human response
- Vast experience in the processing industry
- Continuously On-time residual payments

You deserve more from your processor - and Orion Payment Systems is here to provide you with everything you need to ensure your success!

Orion's Commitment

We believe in long term business relationships and are prepared to offer the level of service it takes to fulfill that belief. With a **Common Sense** approach to doing business, Orion Payment Systems offers superior service and benefits to you, our valued customer.

At Orion, our "Best in Class" Service goes above and beyond that of most service providers. Whereas most processors finish their service with the processing of a transaction, we are just beginning our service cycle.

We excel in "after the sale" service like no other provider. This is reflected in our outstanding customer retention rate.

Customer Support

We'll earn your trust and support with straight forward programs and a reliable Help Desk that will answer your account and equipment questions 24 hours a day, 7 days a week, 365 days a year.

Orion offers the competitive pricing you demand coupled with the customized services that you expect and deserve.

Quality Service

Orion's experience and knowledge of the credit card processing industry allows us to understand the needs and concerns of our customers. Commitment to our clients continues after the sale with superior service and unparalleled responsiveness. Plus, our merchant support representatives provide the timely, one-on-one, custom attention our clients need to increase their sales and business opportunities.

Whether it's prompt answers from our customer service experts or providing you with daily rectification of activity, we're here for you when you need us.
