

Star Pay

## Online Payment Option for Merchants!

The Orion Payment Systems Star Pay application is a custom payment portal specifically designed for merchants and businesses that want to take payment through their website.

### What can the Star Pay do for You:

- Simplify web-based transactions
- Turn your PC into a virtual terminal and accept payment by credit card
- Manage all transactions that go through a payment gateway
- Provide detailed transaction reporting
- Provide a customizable payment portal for your business
- Online bill payment for clients

### Benefits of the Orion Star Pay

- Online payment portal
- Lower costs
- No installation required
- Unlimited number of users
- Customizable to match merchant's website
- Unlimited technical expertise
- Password protected web site for management reporting tools

### Benefits of Working with Orion

- World class payment processing company
- Sub 3 second transactions
- Customer service 7 days a week, 24 hours a day, 365 days a year

StarPay is a secure internet portal between a merchant and their payment processing network. **StarPay** provides:

- A reliable and secure payment portal
- Fast and dependable managed hosting
- A management tool to handle the complex routing of payment information to your credit card processor

Fast and efficient, **StarPay** reduces costs and delinquent payments, increases productivity, allows for an unlimited number of users, has unmatched security, is convenient, easy to implement, and flexible and scalable for future property applications.

### Orion's Commitment

We believe in long term business relationships and are prepared to offer the level of service it takes to fulfill that belief. Orion's experience and knowledge of the credit card processing industry allows us to understand the needs and concerns of our customers. Commitment to our clients continues after the sale with superior service and unparalleled responsiveness.
