

Wireless for everyone.

Where there's a will . . . There's WAY.

Orion Payment Systems is proud to bring you the WAY Systems wireless merchant solution. Whether your merchants want a mobile terminal or an option to typical POS, join our upcoming webinar and consider that:

- WAY is cheaper, faster, and better compared to any competitive offering
- WAY is more cost effective for smaller, multi-terminal merchants that process less than 200 transactions per month

Benefits

- GPRS/GSM is the mobile network (AT&T, Cingular, T-Mobile)
- Server based application
- Seven second transaction time
